

Public Notice

Fischer Pharmaceutical Laboratories Ltd. wish to announce the recall of Polydine Cleanser (antiseptic soapless soap), lots PM130447, 200 ml (use-by date 3/17); PM128020, 1 liter (use-by date 12/16); PM128021, 1 liter (use-by date 12/16); manufactured at the Floris company, due to a defect found in stability.

Consumers who possess these bottles are asked to contact the pharmacies or pharmacy chains in order to exchange the product for a new one.

The company wishes to emphasize that the recall is being performed in coordination with the Ministry of Health, and that the defect does not constitute a danger to public health.

Those who so wish may contact the Customer Service Call Center at telephone numbers 03-6772081, 1-800-618-888.

We apologize for the inconvenience and undertake to continue to ensure the quality of our products and the satisfaction of our customers.
