

27.1.21

Continued notification of “Hashahar Haole” Company for recalling of hazelnut spread with cocoa

Following on from a previous notice from 21.1.21, where “Hashahar Haole” Company notified their clients on initiated recall of the product hazelnut spread with cocoa 350 gram, due to suspected sesame presence, more sesame containing batches were discovered, without the fact being listed on label’s allergen list.

Out of company’s commitment to public health, “Hashahar Haole” Company has decided on initiated recall of the following products:

| Product name | Brand | Content | Expiry date | Barcode |
|----------------------------|------------------|----------|---|---------------|
| Hazelnut spread with cocoa | “Hashahar Haole” | 350 gram | All expiry dates (last date) till 6.7.22 included | 7290000416151 |

Consumers, allergic to sesame and additional allergens, listed on the product label, are requested to avoid consuming this product.

For consumers, who are not allergic, the product is safe for use.

“Hashahar Haole” Company is collecting the product from marketing for correcting the labeling.

The recall is coordinated with the food service at the Ministry of health.
