Consumers in possession of these products are urged not to consume them. Alrozana International Trade Ltd. is recalling the products from shelves in coordination with the Food Service in the Ministry of Health.

In otherwise healthy individuals, salmonella bacteria may cause sickness with such symptoms as fever, diarrhea (sometimes bloody), nausea, vomiting and stomach aches. In rare cases, the illness may cause sickness. In such vulnerable populations as younger children, the immunosuppressed and the elderly, the bacteria may cause serious illness and sometimes even death.
