

Elkayam Snacks Company announces the voluntary recall for the following product:

Home-made Meat-Filled Kubbeh.

Tests run by the Food Service in Ashkelon District Health Bureau raise concerns for the presence of listeria monocytogenes in its frozen home-made, meat-filled kubbeh 700 grams packages.

The Company stresses that the chances for the presence of bacteria after preparation are negligible, but erring on the side of caution, urges customers not to consume it, nonetheless.

The products;

1. Brand: Elkayam Snacks Home-Made Meat-Filled Kubbeh, 700 grams –  
Barcode: 7290002255086

Manufactured by Elkayam Snacks Ltd.

All expiration dates up to and including "best use before 5.1.2021".

2. Brand: Elkayam Snacks Home-Made Meat-Filled Kubbeh, 400 grams –  
Barcode: 7290015374323

Manufactured by Elkayam Snacks Ltd.

All expiration dates up to and including "best use before 5.1.2021".

The Company is taking action to recall the products.

*Listeria monocytogenes* is a bacterium that may cause illness at high risk population such as people with a weakened immune system or the elderly and may induce miscarriage in pregnant women.

In coordination with the Food Service in the Ministry of Health and for safety's sake, we halt the marketing of the product as detailed above, and request that you return it.

The public is urged not to consume the product detailed above.

You can return it and receive a refund in coordination with our customer service center at 08-9226620.
