An Announcement for the Consumers

"Shaked Tavor Ltd." is announcing that there are concerns for the presence of dairy ingredients in the company's product 250gr "coconut milk powder," barcode 7290016146578, which are not specified in the labeling, of all expiry dates up to and including the 31.10.20.

Customers who have purchased the product and are allergic to dairy and/or additional allergens specified in the product's labeling are requested not to consume it and to return it to the selling points. We apologize for the incident and are working to collect the product from all the selling points.

For additional information, customer service can be contacted in telephone 054-6671124
