

An announcement for the consumers

Soglowek Ltd. wishes to inform its consumers of concerns for the presence of tiny plastic particles in a small number of packages of the product **800 gr chicken sausages, barcode 1227400** carrying the expiry 26.3.20 only, as a result of a localized malfunction in the manufacturing process.

Out of responsibility, the company is working to collect the products carrying this expiry date from the stores.

The company is requesting consumers who have purchased the 800 gr chicken sausages carrying the expiry date 26.3.20 only, not to consume the product, and to contact the customer service center by telephone: **1-800-555-000** in order to receive proper compensation.

Please note that it is just a localized malfunction.

The company **apologized** for the unpleasantness and will continue to manufacture quality and safe products for the benefit of its consumers.
