We, Ruledin food importers Ltd. are announcing that following sampling due to a complaint made by the National Food Services of the Ministry of Health of the 18-gr chocolate flavored cream coated sweet waffle, manufactured by MHBH Turkey, and that is packaged in a 40 unit bundle, traces of milk protein have been found. The allergen information does not state milk ingredients, and so we have decided to collect the product mentioned above from the selling points.

The expiry dates are:

21/8/20, 22/8/20, 23/8/20

Anyone who is known to be sensitive to dairy and/or the other allergens appearing on the label is requested not to consume the product.
