Consumers in possession of this product are urged not to consume it and are encouraged to call the Company's offices at 08-6674740 to arrange for a replacement product. Simultaneously, the Company will issue a recall of the product from shelves, in coordination with the Food Service in the Ministry of Health. In healthy individuals, salmonella bacteria may cause sickness with such symptoms as fever, diarrhea (sometimes bloody), nausea, vomiting, and stomach aches. In rare cases, complications may occur in such vulnerable populations as young children, the immunosuppressed, and the elderly. The bacteria may cause severe sickness and sometimes even death.
