Vega vegan products company Ltd is informing

Due to a malfunction, there are concerns for the presence of milk protein traces in the product butter flavored spread – 225gr Vegan Buttery Spread, barcode 7290015599504, carrying the expiry date 13/1/2020, manufactured by Dragsbæk, Denmark. All those who are sensitive to milk protein are requested not to consume this product.

Vega company Ltd apologizes to its client and is carrying out an extensive examination in conjunction with the factory in order to prevent similar incidents in the future. Also, Vega is working to recall the product from the selling points.

We are to stress that this product carrying other expiry dates is perfectly intact.

We thank the consumers for their corporation. As always, we will continue to do everything to guarantee transparency to our loyal clients and full satisfaction through our variety of products.
