

A Notification to the Public

Nia food trade has announced that there are concerns for the presence of a dairy ingredient in the company product "YOGONUT" of all flavors and of all expiry dates up to and including November 30th, 2019.

Consumers who are allergic or sensitive to dairy (casein) may suffer an allergic reaction following the consumption of these products and are requested not to consume them.

Nia food trade is working to collect the products from the selling points. And is requesting anyone who has purchased the aforementioned product is requested not to consume it and to return it to the customer service center tel 04-9533299.

We apologize for the incident and are vigorously working to locate its origin. We will continue working to guarantee the quality and intactness of our products.
