</table>

1. As of February 2005, the daily hospitalization price is determined separately for each hospital based on its medical and financial capacity, and is subject to change according to the Ministry of Health.

2. The price is determined based on the Ministry's recommendations, which are subject to approval by the Ministry of Health.

3. The price increase is determined based on the Ministry's recommendations, which are subject to approval by the Ministry of Health.
